

Weekly Schedule

This schedule is subject to changes! See the public course webpage

`bueler.github.io/opt/`

for **Homework**, **Exams**, and **Project** details, and the link to the Canvas site. Note the two **deadlines**. Sections from the textbook (Griva, Nash & Sofer), covered in lecture, are in black. Classes are MWF 2:15–3:15pm, Chapman 206.
